### Short description

Extruder Feeder for Creality CR10S PRO, CR-10 MAX double pulley

- **Compatibility:** This is the original Extruder Feeder for [CR10S PRO, CR-10 MAX](#).
- **Upgrade structure:** Unique double extrusion mechanism design, enhancing the feed strength, ensuring smooth feeding, easier to feed filament than the single gear extruder.
- **High quality:** Compare to the normal plastic drive, this high aluminum metal dual gear extruder is stable and durable.  
You need to assemble it by yourself.
